Summer Session

The California School of Fine Arts announces the curriculum for the summer session 1956.

JULY 9th THROUGH AUGUST 17th

REGISTRATION JUNE 25th THROUGH JULY 3rd

Unless otherwise noted, classes meet from 9-12 and 1-4 daily and 7:30 to 10 Tuesday and Thursday evenings. Each course, with the exception of the young people's classes, requires two and a half hours of outside work and carries one unit of credit, making a maximum program of six units. Classes have been carefully planned to aid students who are interested in augmenting winter studies and those whose interests are more general. Credit units earned at CSFA are recognized by other accredited institutions of higher learning and are transferable.

ENTRANCE REQUIREMENTS

Students seeking credits will be required to show a high school diploma or transcript of previous training at an accredited school. Except for specified courses all students must be 18 years of age or more, except by special permission of the Director.
